On behalf of COF Board of Directors and Mr. Dan Andrews, I want to extend our heartfelt gratitude and praise to your club and Stephanie and the restaurant staff for making our retirements dinner a huge success.

First and foremost, we thank you, James, for hosting us as your guests and letting us use your facility. Just so you know, the people from Ottawa were very impressed with your club home. There is no place in Ottawa with a meeting room and food services that could have handled this size of group. Everyone felt most welcome by your staff.

We cannot praise Stephanie and her staff enough for the excellent meal and the service we received. She was able to prepare the steaks and have all forty-eight people in attendance served within an hour. The waiters were bringing dessert to us at 7:10 pm. Everyone was thrilled with the quality of the meal and the service.

We thank you for your hospitality and helping make Dan's retirement party most rewarding.

Sincerely,

Judy Stuke
